1	This summer cohort was an amazing experience that built on last summer's program. Improvements: 1.) The Wicked Problem Project was too similar to the DreamIT 2.) When students asked questions, the professor would readily say, "We'll discuss that later." but then we never would. 3.) I felt like we covered a lot of material, but there was only one assignment that asked us to use that information in a practical sense (Final Reflection). I would like more ways to have that information stick. 4.) Some assignments I felt seemed pointless. It was just busy work and when we discussed it in class the professor wanted to move through them quickly (Repurposing Tools).	7/30/2013 8:52 AM
2	Danah was very helpful and approachable! I felt she was always there to help and although didn't get to talk too often, is a very knowledgeable woman!	7/26/2013 2:50 PM
3	Her presence was more dominant online than in our face to face class session. I felt as if her personality came out more. It was nice getting to interact with her and I wish it was more during the face to face class times.	7/26/2013 2:01 PM
4	Danah was very supportive throughout the face to face and especially during the online section of the courses. Whenever I had a question, she responded quickly and was available to help at any time.	7/26/2013 2:01 PM
5	Danah was a great instructor. She was very friendly and always more than willing to give feedback to students. She was very helpful!	7/26/2013 2:01 PM
6	Danah, you were very helpful, approachable, and likable (and fashionable). I enjoyed your presence in class and want you to know that you are very inspirational. Thank you for all your help in clearing up confusions on my end.	7/26/2013 2:00 PM
7	Danah was awesome and very quick on her responses to help.	7/26/2013 1:59 PM
8	I think she was open to any question and did a great job of caring about the students wants and needs. I really liked her as part of the educational setting. Thank you and great job.	7/26/2013 1:58 PM
9	Your office hours during the online session were awesome despite me not using them. Seeing the feedback that you had provided to other group members was beneficial for me.	7/26/2013 1:58 PM
10	Danah was great at responding to emails quickly.	7/26/2013 1:57 PM
11	Danah was a great instructor. She provided a great deal of constructive feedback on our projects, and had great ideas! I am so happy that I had the opportunity to have her help teach my class this summer! I would take a class that Danah was teaching again in a heartbeat!	7/26/2013 11:06 AM
